## *From The Desk of Chairman*

Asian Group of Colleges propelled its journey with a motive to provide much needed highly skillful, general and vocational education to all the sections of society including the weaker and down trodden sections. Ever since it came into being, the college is steadily making all round progress in all spheres. Year by year performance blossomed and the college sparked with even brighter future.

As we all know that it is the need of today to produce professionals armed with diligence, dynamism, competitive skills and outstanding creativity in the present competitive world. Our sincere efforts will be converged towards channelizing, shaping and grooming the future of today's "Youngistan" with the arm of knowledge, skills and dynamic leadership. The institute is ever eager to take up the challenge of imparting best ever futuristic and versatile education embedded with moral values to the students which enables them to tackle the hardships of life with success.

I assure that the Institution will not only broadens the knowledge of students but also open the door for them providing distinct glorious positions in society.

With these words I wrap up and hope good for all.

Thanks

Paramjit Singh

## *From The Desk of Managing Director*

'Ayn Rand' a great scholar, once said "The sight of an achievement is the greatest gift a human being could offer other". Truly he said each one of us is born with immense potential for talent and excellence of all kind. To nurture that talent a solid platform is required. Asian group of Colleges is making a serious effort towards the same. The college is directing its sincere efforts to transform a raw mind into a powerhouse of knowledge and perfection.

Education dispels the darkness of illiteracy and makes one strong in character. In the present scenario of globalization when it is necessary to provide qualitative education, the institution is committed to inculcate virtues of the diligence, perseverance, strong academic learning with futuristic orientation to the students so that they can render exceptional values and excellence to the working.

The institute offers an appropriate mix of Lectures, Group Discussions, Case Studies, Syndicate Methods, Role Play, Educational Games, Industrial Excursion to ensure effective learning. Students are encouraged and motivated to develop an entrepreneurial trait and mindset with innovation in the present competitive era.

Asian Group of Colleges is a righteous effort to empower the students with relevant knowledge, values and attitudes. The Institution welcomes the budding talents and assure their all round development and qualitative education.

Thanks

# ASIAN COLLEGE OF LAW

**ABOUT THE COLLEGE** Asian college of law is managed by Om Educational Trust, Sec. 17, HUDA, Jagadhri, Haryana. It is running smoothly since last eight years. The college has an excellent learning environment. College has intake of 300 seats for the LLB 3 year and 180 seats in B.A.L.L.B. 5 year. The college organizes national & International seminar and moot court competition regularly and invites renowned Judges and the Senior Professor from recognized universities. Our first batch passed out with 100% result and maximum students are well settled. Many have joined the higher level positions like Judges, A.A.G. (Assistant Attorney General) in various districts. Our college has a main leading role differentiating itself from the crowd and nearby colleges. The college has lush green campus and well furnished building and high tech library. LLB 3 year students organized Legal Aid Camp at Village Sahajhanpur to educate the people about the law especially personal law i.e. Hindu law, Muslim law, Matrimonial cases and legal rights for women, children and others and got a good response from the villages and Pardhan. Legal tours are organized every year by the college.

## **Our Vision :**

To be a world class center for professional learning driven by professionalism, dynamism, innovation and value system.

## **Our Mission :**

To enhance professional quality in organization by educating and training new generation of professionals, who will have high level of professionalism, with value system and with an understanding of their social responsibilities.

## **Our Belief**

We firmly believe that legal education should not just aim at professionalism, but also should place high level of importance to social values and hence legal education should transcend the boundaries of academic and be relevant to the changing corporate and social requirements. We will make our programme highly relevant to the changing corporate needs and will keep innovating for the future. We will place high emphasis in our programme for ethical values and social responsibility.

## **Capacity**

Today Asian College of Law has a sanctioned capacity of 300 students for LL.B. 3 year course and 180 Seats in B.A. LL.B. course. Asian college of Law has redeemed its pledge to make the college a niche centre of legal education. The students of Law College have been consistently securing top ranks in the university examinations. The college boasts of several rank holders and gold medalists among its alumni.

## **Setting Standard**

Asian College of Law has earned an enviable status as one of the premier law colleges in the country owing to its academic quality, promotion of multi dimensional legal education and multi disciplinary enquiry into legal problems.

## **About the Course**

A student after obtaining a graduation degree can opt for Law. The degree is suited to students who wish to pursue a career in which knowledge of law and legal system is of major importance. A student passing his LL.B. Examination is deemed to be a graduate in law. It's a 3 year degree course.

## **Aims & Objective**

The prime objective of the Asian College of Law is to cultivate and promote the science of law and to contribute substantially in reforming the administration of justice, so as to meet the socio-economic aspirations and needs of the people through law and its instrumentalities. The Institute has achieved the place of a premier center of national & international legal research and studies, in which the lawyers from all branches of the profession, judges, government officials and academicians have been participating.

The broad objectives of the Asian College of Law are :

- To cultivate the science of law, and to promote advanced studies and research in law and its administration;
- To promote the reform of administration of justice and of law and its health/development suitable to the social, economic and other needs of the people;
- To promote the clarification, simplification and systematization of law;
- To encourage and conduct investigations in legal and allied fields;
- To promote the diffusion of the knowledge of law and its administration and principles on which they are based;
- To promote the diffusion of the knowledge of law and its administration and principles on which they are based;

- To publish studies, treatises, books, periodicals, reports and other literature relating to law and allied fields;
- To undertake documentation of important legal and allied materials;
- To institute and maintain libraries;
- To cooperate with other societies, institutions and organizations, national and international, in the pursuit of all or any of the above objects;
- To constitute or cause to be constituted regional offices at convenient centers in India to promote the activities of the Institute.

The Asian Group of College is governed by Om Educational Trust.

### Code of Conduct

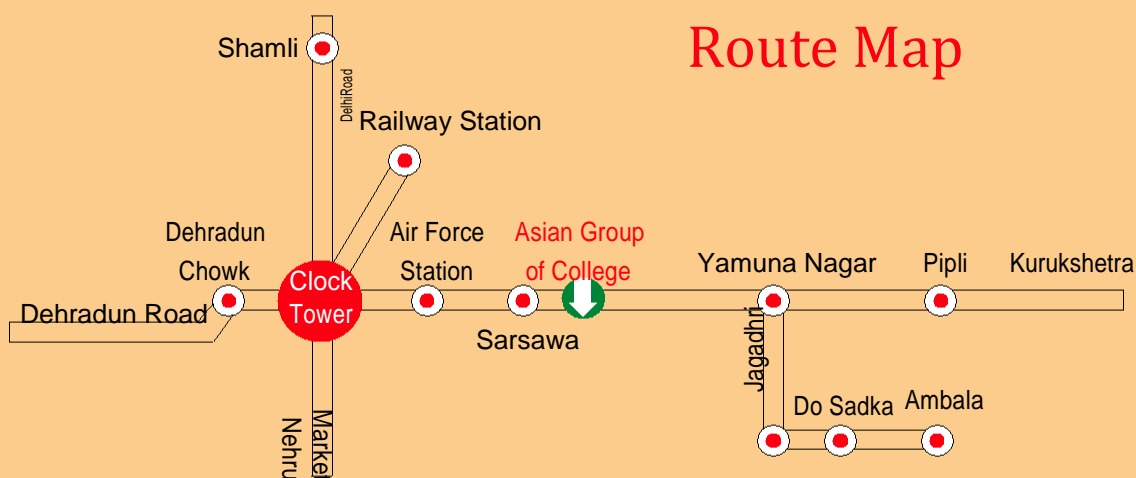

- There is a dress code for boys and girls. This is mandatory for the students to put the proper attire while attending classes / practical and the formal occasions.
- All the students are issued photo ID Cards. They are required to keep it with them while coming to the institute as the entry is regulated on the basis of it.
- Students must be regular and punctual at lectures, demonstrations, seminars, practical field work and other such exercise. 75% attendance is compulsory for appearing in the examinations, failing which the students will be detained from appearing in the examinations.
- The conduct of the students has to be satisfactory, if not, action will be taken against them from the management. The students must maintain a sense of decorum and discipline inside the institute and refrain from disfiguring walls, furniture etc.

### Ragging in any form is not acceptable

Ragging in any form on the campus or off campus premises is strictly prohibited. Necessary penal action will be taken against those found guilty.

An anti-ragging squad exclusively of 4 members takes care of ordinance relating to the maintenance of discipline amongst students in term of ragging activities, such as verbal abuse, mental or physical torture, aggression, corporal punishment, harassment, obscene behavior etc. amongst students.

In case of absence from the class, a leave application has to be submitted through the course co-ordinator to the director, mentioning the reason for absence.
